

Missouri Hunting Club

Hoggetteers are encouraged to acquire their Missouri Hunting Licenses to participate in this fun and educational hunt. Only licensed hunters will be allowed to be in the Missouri Hunting Club. Hunting season begins in September and extends through the last school day in April. All hunting must be done on your own time.

The goal is to collect as many items as possible.

Some of these items are easy to find; others may require a little extra effort. In fact, you may already have some of the items at home. Items that are easily displayed on a bulletin board will be displayed with your permission.
